

ABOUT YOUR VISIT

Emergency Contraception

Thank you for choosing Planned Parenthood of Michigan (PPMI) for your reproductive and sexual health care. We strive to exceed your expectations by providing high quality, inclusive, nonjudgmental, care. Our goal is to offer care that puts you in the center. We will give you information and support so you can make the best decisions for your health.

ABOUT YOUR VISIT

There are different emergency contraception options available. The most effective, as well as providing continued birth control, is an intrauterine device (IUD). There are also over-the-counter pills that do not require an appointment. If you are unsure which option may be right for you, please visit [PlannedParenthood.org](https://www.plannedparenthood.org) to learn more.

At this visit, we will talk to you about your medical history and emergency contraception needs. This visit is for a prescription for emergency contraception pills. If you are interested in using an IUD for emergency contraception, we may not be able to accommodate you at this visit. Please call us at 734-926-4800 if you have questions.

Planned Parenthood of Michigan carries over-the-counter and prescription emergency contraception pills. If you would rather get the pills from a pharmacy instead of a PPMI health center, we can send a prescription to the pharmacy of your choice.

We ask that you do not bring children to your in-person visit. We know that this is sometimes unavoidable, and we will do our best to provide you the care you need while ensuring the safety of you and everyone in our health centers.

We require all people wear a mask while in the health center. You will be screened for COVID symptoms and exposure when you arrive. If you have any symptoms of COVID-19 or a recent high-risk exposure, please cancel and reschedule your appointment when resolved.

FEES, PAYMENT, AND INSURANCE

Planned Parenthood accepts many insurance plans, including Michigan Medicaid. We also offer an income-based sliding fee scale for patients. All fees, including co-pays, are due at the time of service.

If using insurance, bring a photo ID and your insurance card to your appointment.

If you have questions regarding what services are covered by your insurance, please contact your insurance company. We will bill your insurance for the services you receive where applicable. We do our best to provide the highest quality care to our patients; however your insurance company has the best expertise regarding coverage. Some insurance plan coverage types may require a referral for your visit with Planned Parenthood of Michigan. Please contact your insurance company to determine if your desired service is subject to referral.
