

IPAD-BCW Study

IPAD-BCW is a study to improve awareness and access to HIV prevention & sexual health among Black women living in Chicago.

**Are you Black or African American?
Are you a woman,
ages 16-40?**

- You may be eligible to join a focus group with other Black women & receive a \$100 e-giftcard.
- Focus groups can be online or in person.
- There is no compensation for travel or parking

This study is led by Dr. Pyra at Northwestern University.
