HOW DO I DO IT?

Get a group of people together and have a party. You'll have fun, raise awareness, and support Planned Parenthood of Orange and San Bernardino Counties.

WHAT DOES IT LOOK LIKE?

Anything you want, your party can and should reflect your creativity, enthusiasm, and commitment to the work that Planned Parenthood does. It could be a:

- Potluck
- Wine and Cheese Gathering
- Brunch
- Girls' Night
- Backyard BBQ
- Dance Party
- Mix and Mingle
- Cocktail Party
- Afternoon Tea
- Etc.

It's all up to you. We only ask that you set aside time to share why Planned Parenthood matters to you and encourage your guests to [get involved](#).

WHAT DO I NEED TO DO TO HOST A HOUSE PARTY?

First, pick a place: your house, a restaurant, a park... anywhere. Just make sure there's enough privacy for your guests to ask questions and share their thoughts. Second, pick a date, time and create an invitation list. Consider inviting like-minded friends, both old and new.

SCHEDULING AND PLANNING TIPS

- Send invitations at least 3-4 weeks in advance. It's even better if you also call people to invite them. Consider making a private Facebook Event page; it's an easy way to keep track of RSVPs and send your guests information. Expect to invite three times as many people as you'd like to attend. And even if someone can't come, your contact with them has made a difference.
- Ask your friends to co-host with you. This is a great way of expanding your network and building excitement for your party.
- Send a reminder 1 week before the reception.
