

Telehealth Visit Additional Steps and Views

- Use the MyChart Launch/Login page to log into the patients account.

The image shows the MyChart login page for Planned Parenthood. The page features the Planned Parenthood logo at the top left. Below the logo are four main service areas: 'Communicate with your doctor', 'Access your test results', 'Request prescription refills', and 'Manage your appointments'. On the right side, there is a login form with fields for 'MyChart Username' and 'Password', a green 'Sign in' button, and links for 'Forgot Username?' and 'Forgot Password?'. Below the login form is a 'New User?' section with a blue 'Sign up now' button. At the bottom left, there are links to download the app on the App Store and Google Play. At the bottom center, there are links for 'Interoperability Guide', 'FAQs', 'Privacy Policy', 'Terms and Conditions', and 'High Contrast Theme'. At the bottom right, there is a 'MyChart by Epic' logo and a small copyright notice.

- Click on visit to E-check-in.

The image shows a patient's MyChart dashboard. At the top, it says 'Welcome!'. Below that, there is a section for 'Appointment Scheduled' with a blue envelope icon. It shows 'Your Health Care Team' and 'Mar 17'. A message card displays 'Appointment Information: Visit Type: Telehealth Visit...' with a 'View Message' button. Below this is a 'View All (4)' link. The next section is 'Telehealth Visit' with a calendar icon. It shows 'Mar 18 Thu' and 'Join by 8:30 AM CDT'. There is a green 'eCheck-In' button and a 'View Details' button. A calendar icon is also visible in the background of this section.

- E-check-in for all appointments is available up to 7 days prior to the visit and the video visit will not start unless e-check-in has been completed.
- Video visit button will remain grey out until the appropriate time to launch the visit.
 - Patients cannot start the visit more than 15 minutes in advance and patients cannot join video visit 15 minutes after scheduled time

Visit Instructions

Your visit will be conducted via video visit and is similar to secure face-time or skype. You should be in a private location, like your home during the visit. You will receive one e-mail shortly before your visit that will provide you important documents to fill out, a method to submit your payment, and will guide you on connecting with your provider. Please be sure to check your spam box as well. Your link will be active 15 minutes before your appointment time up until 15 minutes after.
