

AT A GLANCE:

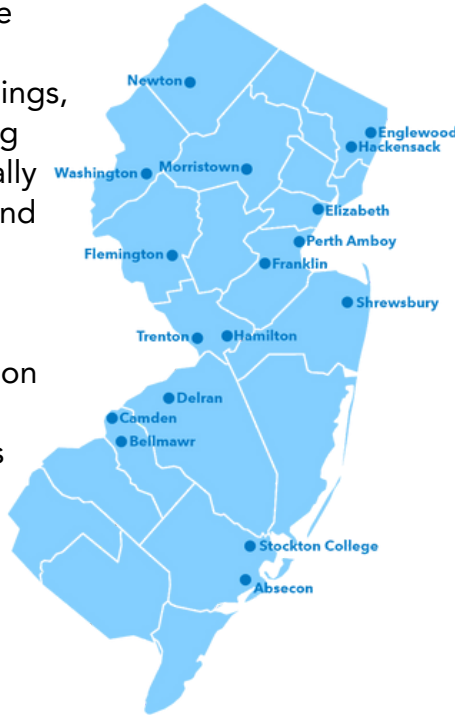

PLANNED PARENTHOOD OF NORTHERN, CENTRAL, AND SOUTHERN NEW JERSEY

Planned Parenthood of Northern, Central, and Southern New Jersey provides high-quality, comprehensive, affordable reproductive health care at 17 health centers across 18 New Jersey counties.

We provide a full range of reproductive health care services, including lifesaving cancer screenings, birth control, and testing and treatment for sexually transmitted infections and HIV/AIDS.

We are also proud to provide abortion services and we ensure that our patients have accurate and non-judgmental information about all of their options.
